NEW FIVE-IN-ONE CLIPPER SPRAY

The **NEW** Clipper Spray from *Made For The Blade* has been formulated and priced to make it the most attractive and effective clipper spray available on the professional market.

STERILISES Effectively kills bacteria, destroys and inhibits fungi growth and has virucidal and tuberculocidal properties.

LUBRICATES A fine layer of lubricant remains behind to reduce friction and allow clippers to run smoother.

COOLS Unique formula cools the teeth and blades creating a better customer experience.

CLEANS The powerful spray blows hair and dirt out from between the teeth allowing the teeth to work effectively.

MAINTAINS Gives clipper blades an even longer cutting life and keeps them sharper with a crisper cutting action.
